REPORT BACK OF LAST EVENT.

A feedback session was given by Ford and Friends Louis Powell on away race 03.10.15. The chairman again pointed out at the drivers briefing that safety and respect for fellow competitors was paramount. After two start attempts the race sequence and start was well maintained and a special thanks to all.

It was again pointed out that incident reports MUST be lodged with the COC in the correct time frame applicable.

The members were again reminded of their conduct after and during race events in the clubhouse as some issues were again noted.

FEEDBACK FROM SPORTSCOM/MANCOM.

Ian confirmed that under trays/nappies will be compulsory as instructed by Sportcom and the WPMC from the September race meeting. This applies to all categories. If the above is not in place the competitor concerned will be liable for the consequences in the event of an oil spill on their vehicles.

Parking in the pits has improved and to continue, no exceptions will be made for non-adherence of this rule to alleviate the congestion.

It was reminded to all sections that their conduct to staff of the WPMC after race events is being monitored and no tolerance will be given for misconduct.

It is also noted that some competitors in other categories have not joined WPMC as their nominated club and will be dealt with accordingly.

PRO.

The members were again requested to submit driver profiles. This will be used for the timekeepers as well as the website. Please respond to e-mails in the spirit of moving ahead. The data is handed to the commentators and it appears that it is helping them in more info to mention of drivers and teams.

PAY OUTs

(9) Not present. Refunded R1800.

Sufficient funds were accrued to pay the barman.

Finances have not changed since and Midas and Metro are still due.

GENERAL

- 1) Trophies and awards at prize giving to be collected as a sign of respect.
- 2) Proposed was that the pre-race paddock be used for qualifying to assemble cars in their class. This was investigated. To keep the classes and competitors evenly matched as a safety and traffic concern. It seemed to work well and to continue.
- 3) There is no weaving allowed in qualifying at all. This must be implemented.
- 4) Next race event – 26 September.
- 5) Reverse race discussed and points highlighted, yellow flag on turn 1 – bus stop area
- 6) We need to respect each other, families and friends and unite as a section for success in the tough times ahead. Stand united and we will stay on top.
- 7) Year-end social annual prize giving set at 28 November, tickets at R150 per head.
- 8) A request for those to enter the tar rally for the national event Friday.

No further points were made and rules meeting closed.

Tick meester. Clint Rennard to the rescue.
