The start was not the best with Modack getting penalized for jump start and not keeping a good pace on the start.(pit lane start for next race)

Andre Johnson was back after serving his ban.

Wayne, Junaid, Achmat were missed on the day.

Ewald and Jesse had damage to their cars so were out for race 2.

Race 2 was a disaster, after 2 restarts and 5 cars severely damaged it was red flagged and cancelled.

## **16. GENERAL**

Members asked why the Midas Boma had signage which was not approved.

There was also signage on the fence which is not allowed as the fence forms part of the track

The chair was aware of this and shared that a competitor who offered to repair and tidy the Boma had overstepped his authority.

The chairman recognized that the member had gone to expense to upgrade the Boma and as such should receive some recognition. The chairman undertook to write the member and get clarity. This was done and the member has been referred to the new committee chairman who will undertake a site visit with the member.
